Technology Strategist, Consultant & Speaker - Helping Clients Achieve Success & Optimize Value from their IT Investments

August 5, 2020, Neil worked with David but they were at different companies

I have known David Roth since the late 1990s and partnered with him through several companies (Stratis Group and AppFirst). In the time I know known him, I found David to be a highly insightful, strategic thinker and excellent communicator with a strong business sense, who understands technology at the right level for his role (leadership, sales) who is also an excellent relationship builder with clients and partners.

In 2000, I sought out a partnership with Stratis Group to round out QTS'...

Sr. Engineering Manager

January 7, 2016, Patrick J. reported directly to David

David the most honest, open, trustworthy CEO I have worked for in my 30 years in the software industry. This trustworthiness and his positive attitude inspire others around him to give their all. It is a pleasure to work for him.
